Newsletter Change

The calendar that has been included with the newsletter, is outdated as soon as it is produced. A few reasons are—new bands booked, new events, events dropped and changed. As a test, the calendar will not be included in the newsletter.

A copy of the calendar is printed every two weeks. Pick up a copy of a the calendar at the club.

A copy of the calendar is available on our website: minneapolis eagles34.org. Check out the newly revised and totally more updated calendar! Check out hours the club and the kitchen are open. Check out bands playing at Eagles 34.

Minnesota State Aerie

At the 2018 Minnesota Eagles Convention held in June, Mike Hadel received the honor of Eagles Aerie Hall Of Fame.

Mike was elected, one of the 2018-2019 Minnesota State Aerie Trustees. Aerie 34 has not had a State Aerie Officer since the early 80's.

Finance Corner

The social room operations at Eagles 34 are thriving. For our last fiscal year (ending 5/31/18), sales were \$869,651.55. This is ahead of last year. Our surplus after expenses was over \$100,000, which is well ahead of last year. This is surely a record and reflects happy guests and a lot of hard work. The plan from the Board and Trustees is to continue to pay off debt and improve our building, and increase our community impact .

Aerie #34 Trustees Newsletter Article

The Eagles Aerie #34 Trustees are happy to announce some changes and improvements that we are making to improve your member experience at Eagles Club #34.

In the restaurant we have **opened the restaurant on Mondays again and on Fridays and Saturdays the restaurant is open until 11 PM** for extended food service. We also have some **new cooks** and they have **markedly improved on the quality and selection of food** available to you. Some of the **additions to our specials are pan-fried walleye (also available with Cajun seasoning), a delicious steak sandwich, \$5 special items after 9 PM on Friday and Saturday**, and many more. The kitchen staff is also working on **upgrading and updating its regular menu** and possibly adding a Saturday breakfast buffet. And just recently the convection oven, range and 1 deep fryer were upgraded. **Kudos to Susan Hutterer, Trustee Restaurant Manager, and her kitchen crew for their hard work.**

At the Eagles Club Bar, **Debbie Malkovich, Trustee Bar Manager and Catering Manager**, continues to do her usual **excellent job of keeping the bar running smoothly**. She and the bar crew **continue to offer great service and come up with drink specials to make your visit very enjoyable**. As you may have noticed the carpet has been replaced and is a wonderful improvement to the bar area. On the Catering front, Debbie is working on an **upgraded set of menu and buffet offerings for our private party groups**.

Jeff Berg, Trustee Maintenance Manager, is doing an excellent job of sprucing up the place. He and his crew have been working on the **bathrooms to brighten them up**. He has **cleaned** out a ton of old stuff from different areas, especially the basement, of the club **to make more space** available as we need it.

In the events and entertainment area of the club, **we continue to seek out and secure more and better live entertainment for you to enjoy** and, of course, the **updated website and the digital signage screen** help to **promote our events and entertainment activities**. Soon we will be adding additional digital signage screens in the club and hopefully, emails to keep you updated.

August 23rd thru August 31st the Eagles Club in conjunction with American Legion Post #1 will be hosting some very special events during the 100th American Legion National convention being held here in Minneapolis.

In short, come on down to **your club**. Enjoy the food, bar and entertainment offerings. We look forward to making your Eagles Club experience enjoyable and entertaining. Make sure to let us know how we are doing. We value your feedback.
