Our Mission Statement

The Fraternal Order of Eagles, an international nonprofit organization, unites fraternally in the spirit of liberty, truth, justice and equality, to make human life more desirable by lessening its ills, and by promoting peace, prosperity, gladness and hope.

#34 Charity Donations

All donations made by Minneapolis Eagles Aerie #34, Auxiliary #34, and Charitable Gambling were made possible with donations, our customers, volunteers and members. Thank You!!!

Eagles Major Accomplishments

Founded Mother's Day. Diabetes Research Center at the University of Iowa.. Served as a driving force behind Social Security. Helped end age based job discrimination with the 'Jobs After 40' Program.

The Memorial Foundation is part of being an Eagle, in supporting our brothers and sisters when times get tough.

The Memorial Foundation was created to help provide medical and educational benefits to children of members who lose their lives while serving their country or while at work. As an Eagle in good standing, you and your family are automatically protected by this unprecedented safety net. Eligibility for assistance ceases on the child's 18th birthday.

The Fraternal Order of Eagles believes every penny donated to the Grand Aerie Charity Foundation should benefit the organizations who need it most - that's why 100% of all funds raised are returned in the form of grants.

While many charities are using your donations to help offset a variety of administrative costs, membership dues are used to cover those costs to ensure your full donation is being used to make a difference in the lives of the men, women and children in need.

Eagles are giving people and our Charity Foundation is a perfect representation of why we're known throughout the world as "People Helping People."
